RESPONSE TO ELECTION/RESTICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Election/Restriction requirement set forth in the Office Action dated September 20, 2007.

Election/Restriction

In this Office Action it is indicated that the application contains more than one species of the generic invention and that claims 1-13 are generic.

In order to comply with the election of species requirement Applicant hereby provisionally elects – without traverse:

Claim 3 - "strontium hexaferrite".

Claim 4- "any mixture"

Claim 5 - "emulsions"

Claim 6 - "moisturizing face creams"

Claim 8 - "vegetable extracts"

Claim 13 - "anti-aging facial mask"

However, as the election requirement is somewhat unclear if grouping of claims is intended, then:

- a) "strontium hexaferrite"
- b) "emulsions"
- c) "vegetable extracts"

are provisionally elected without traverse.
